

PROFESSIONAL LIFTING DESIGNED FOR THE SHOP

The GEARWRENCH line of Lifting and Shop Equipment offer best-in-class speed and ease of use around the shop. GEARWRENCH shop equipment products are designed for auto techs and professionals, allowing them to work safely and efficiently while meeting the demands of harsh work environments. GEARWRENCH Floor Jacks feature a dual piston, fast lift system for strong and consistent lifting power. All GEARWRENCH Floor Jacks are designed and tested to meet ASME PASE lifting standard.
